About KWYS and Yellowstone National Park

About KWYS and Yellowstone National Park

Yellowstone National Park is world renowned for it's thousands of geothermal features and it's stunning beauty. Features such as Grand Prismatic Spring and Old Faithful Geyser attract millions each year, including many from abroad. Now, you can experience this amazing national park in Microsoft Flight Simulator!

KWYS - West Yellowstone Airport is located to the north west of Yellowstone National Park. It is a mere 2 miles from the town of West Yellowstone and 2.5 miles from the parks north west entrance. In addition, it is only a short flight from beautiful popular features such as Grand Prismatic, making it a perfect base for aerial tours of the park.
